LIFT PASS BOOKING FORM

You can preorder your lift passes and we can have them waiting for you on arrival in resort – no need to waste precious time standing in a queue when you want to get on the slopes at the first opportunity!

CLIENT DETAILS

Party Leader name		Home address	
Number of lift passes you're ordering			
Contact number		Mobile number or resort contact number	
Holiday address	Holiday arrival date	1st day skiing (date for lift pass to start)	Last day skiing

Hands Free Card

Prices quoted include a €3.00 charge for a 'hands-free' card which is mandatory for all passes valid for two days or more.

This means that you no longer need to provide photos, and the card also makes using the lifts a much quicker, hassle-free operation. If you keep the pass and bring it back again next time you visit this area then you can 'recharge' it.

Insurance

The optional insurance offered with the lift pass costs €2.80 per person per day. Whilst this is adequate in most cases and will cover search and rescue and hospital costs we strongly advise you to arrange your own adequate travel insurance cover before leaving home making sure it covers you for skiing holidays.

IF YOU WANT INSURANCE PLEASE ADD YOUR NAME AND DATE OF BIRTH ON THIS FORM.

Payment

We will take payment by either credit or debit card (not Amex or Diners) and will debit it from your card approx ten days before your holiday.

Name on Card		Billing Address	
Card Number		Expiry Date	
Total Amount	€		

I confirm that I want to purchase the lift passes detailed below and to have this amount deducted from this card. I have checked the details and understand that once ordered these passes cannot be refunded or exchanged.

LIFT PASS BOOKING FORM

“Grand Massif” includes the whole ski area of Les Carroz, Flaine, Samoens, Morillon & Sixt Fer à Cheval. Covering a total of 265km of pistes, there is a huge amount of skiing for everyone, whatever your standard.

“Massif” includes the surrounding villages of Les Carroz, Samoens & Morillon but NOT Flaine and covers 140km of pistes. This pass includes a large area and will be more than adequate for beginners and early intermediates.

Upgrading you can upgrade your pass from a Massif to a Grand Massif at an extra cost of €17 per day – this means if you upgrade twice it is cheaper (not to mention easier!) to buy a Grand Massif pass in the first place.

Filling in the form

Choose the area, work out the number of days skiing, find the right age category and just fill in the boxes. We'll do the rest for you - no queuing, no remembering French numbers, no confusion. It's just your job to get up the mountain on the first lift of the day!

To book for longer than 7 days please ask for a price.

Please note that for any passes that are at a reduced price due to age (i.e. senior, junior & kid) this is based on your age at the time of your ski holiday. You may be asked for proof of age when you collect your lift pass. Please ensure that you have ordered the correct pass for the relevant person as we will not be able to release your passes if it doesn't match the proof of age and we can not offer refunds.
